Match 1

Michigan 4, Sacramento State 2

**Michigan Head Coach Ronni Bernstein**

*On today's match ...*

"It was tough. They definitely came to play. We're very happy to get through. We won the doubles point and did a good job there. The singles were really close and if we didn't pull out the last match in the second set, it would've been really tough."

**Sacramento State Head Coach Dima Hrynashka**

*On today's match ...*

"It was a great match for the first round. Everyone kept their matches very close. We almost turned the game on our side, but Michigan was very good."
