Match 2  
Notre Dame 4, UIC 0

**Notre Dame Head Coach Jay Louderback**

*On today's match ...*

"We played really well and I thought the doubles set the tone. We played from the very first, especially at two and three doubles. In these first rounds, if you don't get on the other team early, they start to think they can hang around, and then it ends up a tough match. But we got up early with the doubles matches and that really got us going."

*On playing Michigan in the second round ...*

"I think our last three matches with them have been 4-3. We won two and lost one. It's Notre Dame-Michigan. It doesn't matter if it's football, women's tennis, it's going to be a big match. They play really well against us. We told the kids today to just come out and play confident and just show them from the start who the better team is."

**UIC Head Coach Shannon Tully**

*On today's match ...*

"It's always a great experience and we're very happy to be here. I wish we would've stepped up a little bit more, but I don't know if that would've changed the results any. We knew we were up against one of the top teams in the country. They (Notre Dame) definitely deserve to be ranked where they are. We were hoping to just dig in a little more on the courts today."
