ALUMNI WEEKEND

Extra Info:

We realize that it may be difficult because of the time to get to Fridays game, but we will have a tent set up at the game to welcome all alumni. We will announce the alumni that are present at halftime. Because of the new field still under construction, I am not sure where you will be able to tailgate yet, but I will let you know as soon as I figure that out.

There is a football game on Saturday, so if you would like to get tickets, we will be tailgating!

For Sundays game, check in at the tent before hand. At halftime, the alumni present will be honored with a special recognition for the team who won the MAC Championship ten years ago!

There have been questions about an alumni game - we can possibly have a match before the huskies play, but that will depend on our numbers! **We will have an official alumni game in the spring!!**

If there is further information, I will send out another email. If you have any questions, comments, ideas... please feel free to contact me!

COME, HAVE FUN, MEET UP WITH OLD BUDDIES, AND WATCH OUR HUSKIES WIN!!!
