

Yvonne Sanchez, a New Mexico native who has served as the associate head coach and an assistant coach for the past 11 years with the Lobos, was named the fifth head women's basketball in UNM history.

Sanchez takes over for her mentor Flanagan, who retired on April 4 as the winningest coach in Lobo history. Yvonne becomes just the fifth head coach in the 33-year history of the Lobo women's basketball program. She just completed her 11th season with the Lobos, and her third as the associate head coach.
