- Both the men's and women's championship teams receive a team trophy and individual plaques. The runner-up team receives a trophy.
- Both a men's and women's Most Outstanding Swimmer, Most Outstanding Diver, Swimming Coach of the Year and Diving Coach of the Year are selected.
- The top three finishers in each event, including relays, make up the All-BIG EAST Team.

Legend:

+ The 1 meter diving prelims will begin at noon on Thursday, February 20 and Friday, February 21.

** All relays are timed final events at night. The six slowest seeded team relays will swim in heat one, and the eight fastest seeded team relays will swim in heat two.

The start time of the non-scoring platform diving prelims will be determined by the numbers of entrants in the event. The diving referee will communicate to the coaches the exact start time of the non-scoring platform diving prelims no later than 24 hours prior to the start of the event.

* The 1,650 yard freestyle is a timed final event. Qualifying times must be 1,650 yard times – times based on 1,000 yard freestyle may not be used. The two fastest heats (men's and women's) will be swum at the beginning of finals. The remaining heats will begin prior to the start of the finals session (backed up from a 5:00 p.m. warm-up time, depending on the number of heats).
