PAGE 10 • HEAD COACH ANDY TALLEY

Villanova head coach Andy Talley will be walking the sidelines for the 23rd season as a collegiate head coach, including his 18th as the Wildcat leader in 2002. The winningest coach in school history, Talley's record on the Main Line currently stands at 114-69-1. During the 1999 season, Talley garnered yet another coaching milestone when he recorded his 100th career win at Villanova with a 31-28 win at Atlantic 10 rival New Hampshire. On Oct. 5, 1996, Talley registered his 100th career coaching win in a 38-27 victory at Connecticut. His 23-year overall coaching mark currently stands at 142-87-2. His 142 wins currently ranks him 16th on the NCAA I-AA coaching victory list and he is 25th nationally in winning percentage.

Last season, Talley guided Villanova to a share of the Atlantic 10 Championship with an 8-3 overall record and a 7-2 conference mark. This was the fourth conference title for Talley in his 18-year Villanova career. Also, last season, Wildcat running back Brian Westbrook became the second Villanova player to win National Player of the Year accolades under Talley's tutelage when he garnered the Walter Payton Award as the top offensive player in all of NCAA I-AA football. Wide receiver Brian Finneran won the same award in 1997. Villanova and the University of Idaho are now the only two schools to have two Walter Payton Award winners in its history. Westbrook finished off his illustrious career becoming the first Wildcat football player to be drafted since Howie Long in 1981 when he was selected by the Philadelphia Eagles in the third round of the 2002 NFL Draft.

In 1997, Talley led his Wildcats to the first-ever undefeated, untied full season in Villanova gridiron history. While leading his troops to the undefeated campaign, Talley also guided the Wildcats to a No. 1 national ranking for the final six weeks of the regular season. This was the first time in school history that a Villanova football team was ranked No. 1 in the polls. On their way to being named the 1997 ECAC Team of the Year, Talley and the Wildcats set 41 school records. After claiming the inaugural Atlantic 10 championship in 1997 with a perfect 8-0 conference mark, Talley and his team were rewarded for their fine season with a bid to the NCAA I-AA playoffs. This playoff appearance marked the fifth time in nine seasons that Talley had led Villanova to a I-AA playoff bid. In the playoffs, Villanova accomplished another first, as the 'Cats claimed the school's first-ever I-AA playoff win with a 49-28 victory over Colgate. In the quarterfinals, Villanova's dream season came to a close with a hard-fought 37-34 defeat to eventual National Champion Youngstown State.

When you have a season like Talley and the Wildcats had, individual honors are sure to follow. For his efforts in 1997, Talley won virtually every coaching award possible. At a banquet in New York City in early December, Talley was presented the prestigious Eddie Robinson Award as the nation's top coach in all of I-AA. A few weeks later, he garnered the AFCA/GTE National Coach of the Year Award. As part of winning this distinction, Talley was selected to serve as an assistant coach at the 1998 Hula Bowl. In Hawaii, Talley assisted then Ohio State head coach John Cooper, serving as the secondary coach for the North squad. In addition to these awards, Talley was named the recipient of the first-ever Atlantic 10 Coach of the Year Award.

Individually, many of Talley's 1997 players had numerous honors and awards bestowed upon them. Led by All-American wide receiver Brian Finneran (currently a member of the Atlanta Falcons), who earned the Walter Payton Award as the nation's premier offensive player in I-AA football, Villanova had 11 players earn All-Atlantic 10 honors and seven players claim All-ECAC distinction. In addition, sophomore quarterback Chris Boden was named to a number of All-America teams.

On Sept. 30, 1995, Villanova defeated the University of Buffalo,

28-3, giving Talley his 67th win as Villanova's head coach, surpassing Harry Stuhldreher, who was one of the Four Horsemen, for the most victories in Villanova football history. About to enter his 18th season on the Main Line, Talley can feel responsible for every facet of the Villanova program, having started it from scratch in 1985. In his 18 years at Villanova, Talley's successes have been numerous. When he arrived on May 29, 1984, as the school's 29th head coach, there was no team. The program had been dropped following the 1980 campaign and had now been restored, with Talley being given the job of building a program. He set out to build not only a winning team, but one that alumni all over the country could be proud of.

In his first season, Talley guided the Wildcats to a perfect 5-0 in a limited schedule and since that season Talley has not let his troops look back. Dating back to that opening campaign, Talley has led Villanova teams to NCAA Division I-AA Playoff appearances in 1989, 1991, 1992, 1996 and 1997. His 1989, 1991, 1997 and 2001 teams were Conference champions, while the 1992 squad was voted the Lambert-Meadowlands Trophy champions as the top I-AA team in the East.

Before coming to Villanova, Talley served as the head football coach at St. Lawrence University, where in 1982, he led St. Lawrence to the Division III Lambert-Meadowlands Trophy as the top team in the East. That year, Talley was named the American Football Coaches Association/Kodak Division III Region I Coach of the Year, as well as the Metropolitan New York Sportswriters/ECAC Coach of the Year, which were the same awards he would go on to win in 1991 at the I-AA level at Villanova.

Not only has he won as a head coach everywhere he has been, Talley has been associated with nothing but winning programs since his coaching career began in 1967. The record of all his teams as both an assistant and a head coach is a gaudy 220-107-4.

Andy Talley has coached two National Players of the Year during his tenure at Villanova.

In addition to the great teams he has built, Talley has also been able to lead great players as evidenced by the eight first team All-Americans he has coached at Villanova. The first was offensive guard Paul Berardelli who earned American Football Coaches Association (AFCA)/Kodak All-America honors in 1988. Center Bryan Russo also earned AFCA/Kodak honors as well as Sports Network mention while a member of the 1989 NCAA I-AA playoff team. Linebacker Curtis Eller was twice an AFCA/Kodak first team selection for the 1991 and 1992 playoff teams and garnered Associated Press honors in 1992. Eller, who was a two-time Yankee Conference Defensive Player of the Year selection in 1991 and 1992, was also named to the Yankee Conference 50th Anniversary Team.

In 1994, junior linebacker Tyrone Frazier was named AFCA/Schooner's and Sports Network first team All-American, while in 1997 wide receiver Brian Finneran earned All-America honors from every organization, in addition to being named the Walter Payton Award as the nation's top I-AA offensive player. Finneran was also named Atlantic 10 Player of the Year and ECAC Player of the Year. A year earlier in 1996, Finneran earned All-American honors from the AFCA. Also, in 1997, quarterback Chris Boden earned numerous All-American accolades including selection to the Walter Camp All-America Team. In 1998, sophomore running back Brian Westbrook earned first team All-American honors from both the Associated Press and The Sports Network. In addition, Westbrook became the only player in the history of NCAA football at any level to rush for 1,000 yards and receive for 1,000 yards in the same season. During the 1999 season, wide receiver Murle Sango received second team All-American acclaim after setting a school record with 98 receptions. Last season, Westbrook earned the Walter Payton Award as the I-AA National Player of the Year, in addition to being a first team All-American, the Atlantic 10 Offensive Player of the Year and the ECAC Offensive Player of the Year. Westbrook also was selected to play in two prestigious postseason All-Star games including the Senior Bowl and the Hula Bowl.

For Talley, however, these accomplishments are not enough. Perhaps of greater importance to Talley than wins, losses and athletic accolades are the types of students and people that his program turns out. In the last 16 years, Villanova has had nine GTE/CoSIDA Academic All-Americans.

Away from the football field, Talley is appreciative of the opportunities provided to him through athletics, and is continually looking to give something back to others. The area off the field to which he dedicates most of his time is the National Bone Marrow Foundation. With this group, he works to have potential bone marrow donors entered in a national bone marrow registry, increasing the odds of a needy patient being able to find a "match" for their bone marrow. Leading this fight locally, he has rallied most of the Philadelphia-area college football programs in his "Football United for Life" campaign. Since Nov. 1, 1993, he has been responsible for over 3,000 people being tested with the National Bone Marrow Donor Program.

Talley also often acts as a featured speaker at many business and community functions. He initiated the St. Christopher's Hospital for Children visitation program in which players visit the hospital once a month during the school year to spend time with sick children. He also serves on the American Football Coaches Association All-American selection committee and is the chairman of their summer manual committee. He acts as Chairman of the National Football Foundation and Hall of Fame screening committee as well as President of the National Football Foundation and Hall of Fame Philadelphia Chapter. In December of 2000, Talley was

one of two chapter presidents to be honored by the National Football Foundation Hall of Fame and received an award for his leadership of the Philadelphia Chapter at the famous Waldorf Historia Hotel. Talley was also given a Lifetime Achievement Award in January of 2000 by the All-American Football Foundation.

Talley's coaching career began at Simsbury (Conn.) High School in 1967 where he was an assistant coach for two years. In 1969, he became the defensive secondary coach at Springfield (Mass.) College for one year and then was the offensive backfield coach at Middlebury (Vt.) College from 1970-73.

Talley had his first experience of rebuilding a program when he became the offensive backfield coach at Brown University in 1973. Having experienced several losing seasons prior to 1973, Talley was on the staff while they compiled a 36-15-2 overall record in six seasons, including the school's only Ivy League title in 1976.

From there he was named the head coach at St. Lawrence (N.Y.) University, a position he held until his appointment at Villanova in May, 1984. Talley rebuilt the St. Lawrence program, and led the Saints to a 28-18-1 record in five seasons, including an undefeated regular season in 1982 when St. Lawrence advanced to the NCAA Division III semi-finals.

A graduate of Haverford (Pa.) High School just five minutes from the Villanova campus, Talley is a native of Bryn Mawr, Pennsylvania. During the winter of 1996, Talley was inducted into the Haverford Hall of Fame. He played four seasons at defensive back for Southern Connecticut University, graduating with honors in 1967. In the spring of 1998, Talley was inducted into the Southern Connecticut Hall of Fame. He earned his Masters degree in Education from Southern Connecticut in 1969.

Talley and his wife, Arlene, reside in Berwyn, Pennsylvania. They are the parents of two children: Josh, 27, a graduate of both Brown University, and Villanova Law School and Gina, 18, who is a freshman at the University of Pennsylvania and is a pitcher for the Quaker Softball team.

THE BONE MARROW DONOR PROGRAM • PAGE 13

FIGHTING FOR A CAUSE

Talley's Fight for the Bone Marrow Donor Program

Away from the football field, Villanova University head football coach Andy Talley is actively involved in numerous community programs, but foremost among his efforts has been the National Bone Marrow Donor Program.

Nationally, the odds are one in 20,000 of finding bone marrow donors for those with life-threatening blood diseases, such as leukemia. For members of the African-American community, the odds are even worse — one in one million.

Talley's involvement in this national campaign began in 1992 when he raised over \$10,000 to determine the blood type of 200 individuals, with Villanova football student-athletes and his coaching staff serving as the foundation. As a result of his success, in 1993 he secured a \$60,000 grant and organized the "Football United for Life" campaign, which attracted over 950 potential bone marrow donors. That group included a large number of student-athletes, primarily from the Villanova community, but also from many other Philadelphia-area college football programs. Among those programs participating were the football teams from the University of Pennsylvania, West Chester University, Widener University, Swarthmore College, Cheyney University, Ursinus College and Delaware Valley College.

Now in his ninth year of association with the bone marrow donor program, Talley continues his annual spring drive to get people tested and typed in to the national registry. Since 1992, Talley's efforts have resulted in over 3,000 potential donors being successfully tested and entered into the registry.

Talley has also secured the commitment of the Villanova University Alumni Association, and the 50 United States Villanova Alumni chapters to test nationwide. Eventually, Talley hopes to involve other major college football programs around the country.

"Athletes have been truly given great gifts, and this is one small way to give back to someone in great need," Talley said. "Because coaches and athletes are in the public eye, we want to raise awareness that bone marrow donors are needed. This is a great opportunity to give someone a second chance in life."

For further information on how you can be a part of the National Bone Marrow Donor Program, contact the Villanova Football offices at 610-519-4105.

Mark Ferrante

*ASSISTANT HEAD COACH
OFFENSIVE LINE COACH*

In his 16th season on the Villanova coaching staff, Mark Ferrante enters his fourth year as Assistant Head Coach in 2002. Besides serving as Andy Talley's right-hand man, Ferrante will continue to coach the Wildcat offensive line. On the recruiting front, Ferrante will oversee Villanova's national recruiting efforts as the program's Recruiting Coordinator. His specific recruiting areas will consist of Eastern Pennsylvania and parts of New York.

Under Ferrante's tutelage, the Villanova offensive line is traditionally one of the best in the Atlantic 10 Conference. Last year, Ferrante coached his second All-American in Eamonn Allen who earned first team All-American acclaim from the Associated Press. Allen also earned first team All-East and first team All-Atlantic 10 honors. Ferrante coached his first All-American in Bryan Russo in 1989. In 2000, Ferrante helped offensive tackle Stan Bennett earn second team All-Atlantic 10 honors for the second consecutive year. Bennett played this past summer in NFL Europe and is currently a member of the Chicago Bears. During his Wildcat coaching career, Ferrante has coached eight All-East, seven first team All-Conference players and two All-Americans.

Joining the Villanova staff in February, 1987, Ferrante was already familiar with head coach Andy Talley's philosophy. Ferrante played quarterback for Talley before joining his coaching staff at St. Lawrence University. As a player, Ferrante was team captain of the 1982 St. Lawrence team that finished 10-1 and made it to the Division III national semi-finals. In 1982, Ferrante was named the Division III Player of the Year, as well as earning first team All-East honors. He still holds the St. Lawrence University school records for completions, yards passing and total yards in a season. After one year as the St. Lawrence running backs coach, Ferrante went on to Wagner College in 1984 where he coached the running backs before joining the coaching staff at Lafayette College from 1985-86.

Ferrante and his wife Georgea reside in Phoenixville, Pa., with their 6-year-old son Jimmy.

Sam Venuto

OFFENSIVE COORDINATOR
QUARTERBACKS COACH

Entering his eighth season as a member of the Wildcat coaching staff and fourth as the team's offensive coordinator is Sam Venuto. In his first three years as offensive coordinator, the Wildcats averaged 30.4 points per game in 1999, 35.0 ppg. in

2000 and 36.5 ppg. last season. Besides handling the offensive coordinator duties, Venuto also coaches the Villanova quarterbacks. During his first four seasons on the Main Line, Venuto coached the Villanova wide receivers. He is also responsible for the recruitment of South Jersey, Delaware and parts of Maryland and Pennsylvania.

Last year, Venuto helped senior running back Brian Westbrook earn the Walter Payton Award as the top offensive player in Division I-AA football as Westbrook amassed 2,823 yards of all-purpose offense in Venuto's offensive scheme. This is the second Wildcat to win the Walter Payton Award under Venuto's direction. As the team's receiver coach in 1997, Venuto guided wideout Brian Finneran to numerous awards including ECAC Offensive Player of the Year, Atlantic 10 Offensive Player of the Year and the Walter Payton Award as the Nation's top I-AA offensive player. Finneran tallied a school-record 96 receptions for a school-best 1,389 yards and a school-record 19 touchdowns as a senior en route to becoming the all-time leading receiver in Villanova school history.

Also last season, Venuto was the mentor to Wildcat junior signal caller Brett Gordon who garnered third team All-Atlantic 10 accolades. Besides being named third team All-Conference, Gordon became just the second Villanova quarterback ever to throw for 3,000 yards in a season. A year earlier, Venuto guided Gordon to second team All-Conference honors in his first season as a collegiate starter. Venuto was also very instrumental in helping quarterback Chris Boden earn first team All-Conference honors for the second time in his career during the 1999 campaign.

Venuto has had a wealth of coaching experience. Before Villanova, he was the tight ends coach and the head junior varsity coach at Cornell University. From 1989-93, Venuto was the passing game coordinator and receivers coach at Southern Illinois University. During the 1988 season, he was the assistant quarterback coach and receivers coach at the University of Illinois. Venuto spent three seasons (1985-87) as James Madison's quarterbacks coach and one year (1984) as the linebackers coach at Colby College. His coaching career began in 1982, when Venuto was the freshman offensive line and linebacker coach at his alma mater, the University of Delaware.

While at Delaware, Venuto was a linebacker for the Blue Hens and was a member of the 1979 National Championship team. Venuto owns a Bachelor Degree in Physical Education from Delaware and a Master's Degree in Education from James Madison.

Venuto and his wife Diane reside in Collegeville, Pa., with their 6-year-old daughter, Amanda, and 4-year-old son, Ricky.
