PAWPRINTS

DECEMBER 2002

IMPORTANT REMINDERS FROM THE OFFICE OF ACADEMIC SUPPORT

Question: Do you know your *final exam schedule*?

If no, do you know where to find your schedule?

Answer: Go to the registrar's website

Look under calendars and schedules

Final exam schedule – day and evening – Fall 2002

Question: Do you have a *final exam conflict* (two or more exams at the same time) or three or more exams in the same day?

Answer: If you have a conflict, you must contact one of your professors to arrange a make-up exam at a different time. University policy states that group departmental exams take precedence over any other exam and should be taken at regular times. Also, major or required courses should take precedence over electives.

Be sure to identify any conflicts you might have right after Thanksgiving Vacation. Student-Athletes who wait until the last minute to see a professor WILL PROBABLY NOT GET THEIR CONFLICTS RESOLVED.

If you have additional questions, see a staff member in Academic Support immediately.
