PAWPRINTS

November 2002

While you were gone...

Fall break is the perfect time for Villanova student-athletes to take a break from the daily grind of classes. While some teams were running two-a-days and others resting, the Athletics Department Staff took time out to participate in community service activities. Several staff members, including Director of Athletics, Vince Nicastro, worked on Villanova's Habitat for Humanity house in South Philadelphia, while others went to St. Francis Inn in Kensington to serve dinner. The staff enjoyed helping out and looks forward to doing it again next year!
