VILLANOVA UNIVERSITY
DEPARTMENT OF ATHLETICS

Dear Employer,

I am proud to provide you with the *2002 Student-Athlete Resume Guide*. Published by Athletics Student Services, this guide is distributed as part of our **Providing Athletes With Support** program. **PAWS** is dedicated to the total development of the student-athlete and has supported the seniors featured in this guide throughout their collegiate careers in academics and athletics.

A credit to Villanova University, these student-athletes have proven that they are willing to work hard and sacrifice to succeed. Each exhibits motivation on the playing field coupled with the discipline necessary to balance the commitments that are required of them in the academic and athletic arenas. These student-athletes have accomplished so much to date given the teamwork and determination they have learned through sports. They are driven to attain their goals because they know what it takes to succeed.

The qualities these student-athletes possess can only work in your benefit as an employer, just as they have benefited from their academic and athletic experiences at Villanova University.
