When I looked at different schools it was very important to me to find a competitive soccer program at an institution with a strong academic reputation. Villanova offered an opportunity that went beyond those expectations, with a soccer team that ranks among the nation's best in every aspect of the program. The academic curriculum and Augustinian affiliation has created an experience at Villanova that has allowed me to grow as a student-athlete and, more importantly, as a person.

WOMEN'S SOCCER IN THE COMMUNITY

An important part of the women's soccer experience at Villanova University is the team's involvement in numerous community service programs. The Wildcats are active with several campus organizations that do work in the community and have joined other women's soccer programs at Philadelphia-area schools for soccer clinics in the area. The following are the campus organizations that the Wildcats have done community service projects with:

PAWS	Providing Athletes With Support Student-Athlete Advisory Committee Community Action Through Sports
SAAC	
CATS	

The women's soccer team has also participated in conjunction with Villanova's other varsity teams for community service programs sponsored by the athletic department. Listed below are some of the community programs the Wildcats have been involved with.

CITY SIX SOCCER CLINICS

On April 23, 2006 the Wildcats participated in the first-ever City Six Soccer Clinic at Saint Joseph's Finnesey Field. Money collected from the clinic was donated to the Children's Hospital of Philadelphia Oncology Unit. Together, the City Six teams raised more than \$1,000 through this project.

SOCCER ON THE STREETS

The Wildcats collect used soccer equipment for *Soccer on the Streets*. This is a program that aims to provide soccer equipment and facilities for underprivileged youth players. As part of the program, Villanova has also conducted free clinics for youth players.

ADOPT-A-FAMILY

The women's soccer team was one of many Wildcat athletic teams that took part in the Adopt-A-Family Program once again in 2005. During the Christmas season, Villanova provided toys, clothes, kitchen supplies, toiletries, make-up, food, gift certificates and other presents to families in need during the holidays.

PEN PAL PROGRAM

In 2005-06, over 100 athletes, including a number of women's soccer players, took part in a Pen Pal Program with fifth and sixth graders at Evans Computer Magnet Elementary School in Yeadon, Pa. Letters were exchanged each month between the Villanova student-athletes and elementary school students. During the spring semester, the kids came to Villanova to visit their pen pal in person and experience the life of a college student.

JUNIOR ACHIEVEMENT PROGRAM

The Junior Achievement Program is comprised of 100 student-athletes from Villanova University. These student-athletes prepared and trained to go into elementary school settings, where they worked hands on with the students in such activities as economic education. The student-athletes taught five weekly 40-50 minute lessons at local schools.

SNEAKER COLLECTION

The women's soccer 'Cats were among many Villanova athletes to donate their old sneakers to the poor and underprivileged. Over 100 pairs of sneakers were collected in the office of Athletic Student Services and were given to Campus Ministry to deliver to needy families.

READING ACROSS AMERICA PROGRAM

During Dr. Seuss's birthday several year ago, the Villanova women's soccer team traveled to a local elementary school and read several Dr. Seuss books to the students.

PHILADELPHIA FIT FEST

A number of women's soccer athletes participate in the Philadelphia Fit Fest. Soccer is just one of the many sports being taught at the fit fest. Wildcat players and coaches help teach the fundamentals of the game to inter-city kids from the Philadelphia area.

ST. CHRISTOPHER'S CHILDREN'S HOSPITAL

During the fall, the Villanova women's soccer team often visits the children at the St. Christopher's Children's Hospital. On a recent visit, the team helped the patients paint pumpkins and make masks for Halloween.

YOUTH CLINICS AND GIRL SCOUTS DAY

The Villanova women's soccer program brought youth teams in and gave a clinic to teach them about the finer points of the game of soccer. The team also spoke to the Girl Scouts about the program and about the importance of getting a good education.

“When we discuss our community service programs with the Villanova women's soccer team, I always use a William Penn quote: ‘I expect to pass through life but once. If therefore there be any kindness I can show or any good thing I can do to any fellow being, let me do it now and not defer or neglect it, as I shall not pass this way again.’ (William Penn, 1644-1718).”
-Villanova Head Coach Ann Clifton

Villanova student-athletes are involved with numerous community service programs each year. On a visit to the St. Christopher Children's Hospital the Wildcats and patients painted pumpkins and made masks for Halloween.

2005 YEAR IN REVIEW

Regionally Ranked: Villanova was ranked each week during the season in the Mid-Atlantic Region polls released by the NSCAA and Soccer Buzz. The Wildcats were ranked as high as No. 4 for three weeks in the 46-team region, just one spot below their highest-ever regional ranking. Villanova finished the season ranked No. 5 in its region.

Road Warriors: Faring well away from home is usually a good barometer of success for a team, and the Wildcats have excelled when going on the road. Since the beginning of the 2004 season, Villanova has compiled a sterling record of 14-5-5 (.688) in games played away from home. Last season, the Wildcats were 4-2-4 in road and neutral-site games.

Team captains Jillian Loyden and Lindsey Finnegan provided outstanding leadership for the Wildcats.

System of Success: The Big East began sponsoring a postseason championship for women's soccer in the 1993 season. Since then, the Wildcats have qualified for the Big East Tournament 11 times in 13 seasons, including each of the past five years and 10 times in the last 11 seasons. Villanova won its only Big East title in 2003 and has advanced as far as the semifinals seven times in its 11 appearances.

Playing the Best: For only the fifth time ever, Villanova squared off against the defending national champion during its season. On October 21 the Wildcats faced Notre Dame in South Bend, Indiana. It marked the third straight game out of the five against defending national champions in which the opponent was the Fighting Irish. Villanova also encountered North Carolina in 1983 and George Mason in 1986.

Defenders Laura Sylvester and Laura Koch stop an attacking opportunity in a game against Lehigh. Villanova once again had one of the top defensive units in the Big East.

Fantastic at the Finish: In a critical Big East game against Louisville on October 9, the Wildcats trailed 2-1 in the waning seconds before **Nikki Mabery** tied the score on a goal with just four seconds remaining in regulation. Villanova went on to win on **Lindsey Finnegan's** penalty kick two minutes into the first overtime period. The win over the Cardinals was emblematic of the team's season. In 19 games, the Wildcats scored four times in the final minute of regulation, with two of those tallies tying the score. Overall, Villanova scored 20 of its 28 goals (71 percent) on the season after halftime, including 12 goals in the 71st minute or later.

Reaching a Milestone: In the fourth game of the Wildcats season, head coach **Ann Clifton** became the first in program history to reach the 100-victory plateau when Villanova defeated Vermont 7-1. Clifton's current career record through nine seasons on the Main Line is 108-56-23.

Mabery Makes Her Point: In her second collegiate season, forward **Nikki Mabery** led the team in all three major offensive categories, totaling seven goals, five assists and 19 points for the season. Her contribution on the offensive end became apparent early in the season, when she ran off a string of five straight games with at least one point. Mabery was the first Wildcat since Jessica Painchaud in 2000-01 (seven games) to have a streak that long. Mabery started the streak with two goals in a 7-1 win over Vermont and recorded a total of nine points (three goals, three assists) during the five-game stretch.

Fifth-year senior Patricia Misciagna was a key part of the Wildcat defense in 2005.

Flair for the Dramatic: When the game is on the line, the Wildcats can often turn to forward **Lindsey Finnegan** to put Villanova over the top. Finnegan has had a penchant for game-winning goals in her career, with 10 of her 17 career scores being game-winners. In 2005, Finnegan finished second on the team with six goals, including four game-winning tallies. Finnegan is tied for fourth in school history with the 10 game-winning goals, standing just four behind team record holders Ann Brennan and Cathy Ford.

Nikki Mabery enjoyed a breakout sophomore season in 2005, leading the team in goals, assists and points for the season.
