## HIGGINS SOCCER COMPLEX

*Established as the new home for men's and women's soccer programs in the fall of 1992, Higgins Soccer Complex has undergone numerous upgrades to maintain a first-class facility. In the summer of 2014, the field was replaced and the entire complex received a facelift. Campolo Field is a soccer-only Field-Turf Revolution surface and it's the highest rated FIFA turf currently in existence. During the summer of 1999, new bleachers were added to the facility to seat 1,000 people. New locker rooms for both the men's and women's teams were added in the fall of 2001. Replaced in the summer of 2014, the current playing surface at Campolo Field is FieldTurf Revolution and has a FIFA 2 Star rating - the highest currently in existence.*

*Villanova has gone undefeated on campus twice since the facility opened, in 2003 and 2009. The team's longest unbeaten streak on West Campus is 13 games in 2003-04.*

*During the 2003 season Villanova had one of its best teams and also one of the most balanced squads in program history. Despite not having a single player earn first team honors from the BIG EAST the Wildcats won their first-ever conference title and advanced to the Sweet 16 of the NCAA Tournament.*
