Football

All graduate (full and part-time), part-time undergraduate students, and spouses of students (graduate and undergraduate) may purchase tickets for a deeply discounted price -- that's only \$114 for all seven home games! (Students are limited to four tickets per game for use by the student and immediate family).

Tickets may be purchased on a season or individual game basis and will be located in Sections 135-136. The price for a ticket to the Towson, Eastern Michigan and Miami (Ohio) game is \$20, and a ticket to a Big Ten game is \$30. Unfortunately, season and individual game tickets will not be seated together. Discounted tickets must be purchased in advance; these rates are NOT AVAILABLE ON THE DAY OF THE GAME.
