

**THE O ZONE** is Ohio Athletics' premiere student cheering section. Now in its seventh year, the O Zone has a strong reputation for its loyal support of the Bobcats, along with its fierce intimidation of opponents.

**WHAT ARE THE PERKS?**

Benefits of participating in the O Zone include gaining access to the best seats at football and men's basketball games. These seats put students where they belong... right where the action is. In addition, O Zone members receive a T-shirt and are invited to join in on FREE bus trips to select away games throughout the year. Other benefits, such as pregame tailgates or other pregame activities will be determined by you, the members, and the O Zone Leadership Council.

The fee for O Zone membership is \$15 for all Freshman, which is valid for the entire 2007-2008 competitive season. Upperclassmen membership is discounted to \$10. Every penny of your membership fee will be spent back on you, the members of the O Zone, through activities, props, trips, etc.
