## Bobcats Win Bobcat Cup

The Ohio women's basketball team totaled 42.69 points to win the Bobcat Cup competition for the 2006-07 school year. The Bobcat Cup is part of the CHAMPS/Life Skills program at Ohio and is a competition that challenges Ohio sports teams to earn the most points in eight categories; Academic Excellence, Athletic Excellence, Community Service, Personal Development, Career Development, Athletes Supporting Athletes, SAAC involvement, and Above and Beyond. The winner received \$500 towards its team's budget.

The women's basketball team showed the strongest representation at SAAC meetings, participated in the Women in Sport activity on campus, held a mini-camp at the Plains Elementary School, collected money for the MAC SAAC Penny Bowl at the spring football game, attended the most home sporting events, was involved in the Big Sisters program, volunteered at the Nelsonville Correction Facility, worked Kids Fest and participated in diversity training sessions with the athletics department. The Bobcat coaches also contributed by speaking at a Title IX brunch and at area high school's athletic banquets.
