After completing the recipient information (*who your tickets will go to*), click on "Submit".

Click 'Yes' or 'No' at the bottom of the screen to confirm your ticket share and that all information is correct.

A screen indicating completion of the ticket sharing process will appear shortly after completing step 6. An e-mail will be sent to both the sender and recipient notifying them of the transaction.

As the sender, it is your duty to remind the ticket sharing recipient to check their e-mail to begin the acceptance process.

The recipient must accept the ticket share via the link in their e-mail (*at least four hours prior to the scheduled start of the game*) in order to successfully complete the transaction. There is a 72 hour window before the transaction is cancelled if the transfer is not completed by both parties.

Below this, an important note states: "IMPORTANT: Please contact the recipient to check his/her email. Confirmation details include: Confirmation number: 73001-ATH:2952, Shared To: Sooner Fan, Recipient Email Address: soonerfan@gmail.com, Recipient Daytime Phone: [redacted], Ticket Share Initiated at: Thursday, November 4, 2010 at 12:24 pm, and Ticket Share expires at: Sunday, November 7, 2010 at 11:24 am.
