Sherraine Pencil, ADC GA 2010-2012

- Hometown: Toronto, Ontario
- Received a **Bachelors** in Sociology and Political Science from San Diego State University
- Born in Jamaica
- Former track & field student-athlete

“I have always wanted to promote change in our society, and as a former student-athlete I understand the impact of intercollegiate athletics. Intercollegiate athletics can mold the community, the campus and most importantly the student-athletes. I want to be a part of something that I know will impact on everything it touches.”

“I am elated and honored to be apart of the Athletic Diversity Program. ADC is a very unique Graduate Assistantship which I know will cultivate my passion for diversity while providing personal and professional growth.”
