Credentials

The coach, trainer and/or mascot handler must wear a credential. Please provide a list with the name and game function for each of these individuals to Kip Sanders at least one week prior to the game. **Credentials can be picked up with a photo ID at your entrance to the practice field off of Lindsey Street (on the south side of the stadium).**

Spirit Squad Entrance

Twenty uniformed spirit squad members will be admitted through the south access gate to the practice fields off of Lindsey Street. Any member not in uniform/credential must have a ticket for entry into the stadium. **Spirit squad members** will have the opportunity to warm-up on the practice field, but **will not be allowed access to the sideline until pre-game, at approximately 20 minutes remaining on the pre-game time clock.**

Locker Room

Access to locker room is available with escort from Kip Sanders (Spirit Coordinator), but it is located at another venue on the north side of the stadium. It will be much easier to arrive game ready. A water cooler will be provided on the sideline for the visiting spirit squad, and a halftime snack will be provided, too.

Performance Area

The performance area is located on the south end of the east sideline, directly in front of the area reserved for your fans and pep band (from the 20 yard-line through the end zone). Spirit Squad members may not enter the stands or use speakers/noisemakers, other than standard megaphones for voice amplification.

Team Run-On/Touchdowns

The visiting team will enter the stadium from the southwest corner. Visiting spirit may run the team on with flags. Please be aware of your surroundings, as the teams would *cross* midfield during pre-game and just after half if the timing were not perfect. After a visiting team score, spirit squad members may run the flags in the south end zone only.
