## Fellow Sooners,

A new year is upon us and it's time again to ask for your continued support of the Chip-In Club. We had an outstanding year last year with a 60 percent increase in Chip in Club membership and with that, a significant rise in the overall giving. In addition to membership success, we had another successful Sooner Open. The second annual event took place in September and had a full field of 134 playing at the beautiful Jimmie Austin OU Golf Club. The team of Blake Martin, Chad Homsey, J.D. Robertson and Parker Foster brought home the title and will be enjoying their trip to Flint Hills.

The golf team had a much improved fall campaign in 2010, bettering its ranking by some 50 spots over this time last year. With the Chip-In Club and men's golf program both heading in an upward direction, it is imperative that we continue to build momentum with another big year of membership. We hope that you will not only join the Chip-In Club, but commit to bringing one more person on board who has not previously been a member or who has not participated in some time.

We are knocking on the door of national prominence and know that you will be there to continue the push. Here's to another banner year for the Chip-In Club and the men's golf program at our great university.

Boomer Sooner!
