

Dear Sooner Softball Fans,

Welcome back to another season of exciting softball! After having two amazing seniors graduate, we return the bulk of our lineup and feel we are ready to make another charge at a national championship. We are currently ranked sixth in the preseason polls and, for the third time in as many years, Oklahoma has been chosen as the favorite to win the Big 12 softball title, in a vote of the conference's head coaches. We have six newcomers who will be very instrumental in our success and have the work ethic that will make a difference.

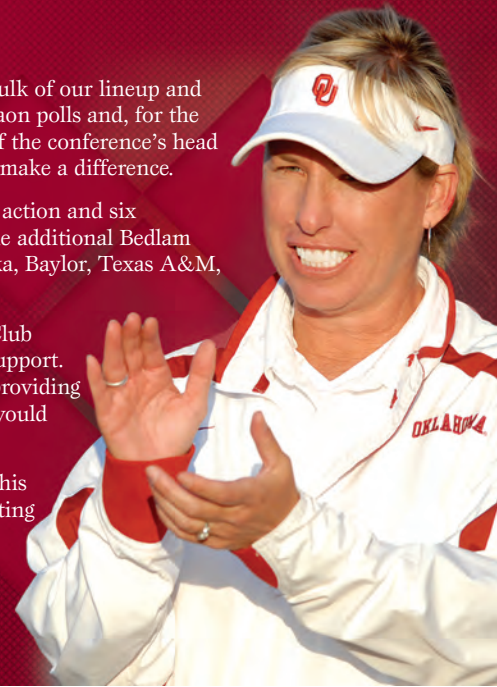

Another tough schedule is in store for the Sooners. A total of 15 of our opponents played in the 2010 postseason action and six advanced at the WCWS. Our motto: in order to be the best, you have to beat the best! Another treat for fans is the additional Bedlam game being played March 5 at the Hall of Fame Stadium in Oklahoma City. We also welcome Big 12 foes Nebraska, Baylor, Texas A&M, OSU and Iowa State in 2011 to Marita Hynes Field.

To be the best, you also need to be surrounded by great people! That is why we invite you to join the Diamond Club today! The Diamond Club plays a tremendous role in the success of our program and we are so grateful for the support. Our boosters are fans who have passion for our program, appreciate our winning tradition and are dedicated to providing the best experience possible for our student-athletes through attendance, contributions and encouragement. We would not be the program we are today without the Diamond Club.

You can become a part of this special group by joining the Diamond Club today. Our goal is to continually build this program and be known as one of the most active softball booster groups in the country. Please join us for an exciting season and, at the same time, have a chance to meet wonderful people who have a love for the University of Oklahoma and Women's Softball. Join us for a Championship Season!

See you at the field,
