Elite Tournament Players Camp

The Ole Miss Golf Program would like to invite you to our Elite Tournament Players Camp, which will be held Saturday, March 10 from 9:00 am – 3:30 pm. You will be among the first to use the new Herrington Golf Center, located at the Ole Miss Golf Club. Our intent is to prepare you to be the best player you can be with training techniques for fitness, swing and short game technique, as well as mental skills for improving your scoring. Application fee is \$50, and we will limit the camp to the first 30 golfers. This camp is open to any and all entrants from age 12 to 2012 high school seniors. We want to help you prepare for playing college golf.

Every golfer will have his swing analyzed on V-1 Swing Analysis and his ball flight data will be recorded with Trackman. We will give each golfer detailed analysis of their swing and ways to improve. Each golfer will receive a booklet with tips, drills, and ways to get recruited to play college golf.

We will guide every golfer through our Ole Miss Golf Team workout at the Starnes Athletic Center. Our workout is TPI (Titleist Performance Institute) based, so this is golf-specific and not just an exercise program. Campers will participate in stretching but not weight lifting, but weight lifting exercises will be demonstrated. Full workout details will be included in the golf booklet.
