OSU AWARD WINNERS

Oregon State University Sports Hall of Fame

The Oregon State University Sports Hall of Fame was established in 1988 in an effort to honor and preserve the memory of those student-athletes, teams, coaches, and members of the athletic staff who have contributed in an outstanding and positive way to the promotion of the Oregon State University athletic and academic program.

To be considered for this high honor, there are seven criteria that must be met:

1. If a nominee was an athlete, the person must have completed his or her eligibility at least five (5) years prior to induction.
2. If a student-athlete, the person must have earned two Varsity "O" letters.
3. If a coach, athletic administrator, or athletic staff member, the person must have either earned a Varsity "O" letter at Oregon State University or have been on the staff for at least five (5) years and have become inactive at OSU.
4. The records of the person considered should be so outstanding that there would be little question as to the qualifications necessary for induction.
5. Consideration will be given for personal conduct in sports and the personal contribution to the idea of sport.
6. Consideration will be given to teams who have contributed in a very outstanding and positive way.
7. Criteria and qualifications will be based upon the nominees' participation while attending or serving Oregon State University. However, accomplishments after leaving the University may be an important part of consideration.
