THE BUCKEYE LACROSSE 11th MAN CLUB
It is with great enthusiasm that we introduce to you the 2013 11th Man Club. We have put forth great effort in maintaining the tradition, integrity and first class status of the Buckeye Lacrosse Family. In an effort to continue this positive momentum and stay ahead of our opponents in terms of recruiting, facility upgrades, technological advances, alumni & team functions, additional flights and several other areas, we are inviting you to join this special club. In the campaign’s fourth year of existence our membership continues to grow and proudly represent the Buckeye Lacrosse family.

Opportunities made possible by your contributions:
Director of Operations Position
Team trip to San Francisco
Team retreat
Editing System upgrades and hardware
Navy Leadership Training Program
Guest Speakers
1988 Throwback Uniforms
Weighted training shafts
Framed Jerseys for seniors
Recovery Massages
New signs and pictures for locker room

WHAT IS THE 11th MAN CLUB?
The “11th Man Club” is a fundraising initiative for the men’s lacrosse program. Each member of this elite club will be asked to donate $100 for each victory earned in the 2013 season. All contributions to this program will be recognized as a donation to The Ohio State University. To join, please return the enclosed form with a $100 check made payable to The Ohio State University Foundation. Please denote on the check, “11th Man Club” This first $100 will serve as a donation for our first victory in the 2013 season and will activate your membership in this prestigious club. You may pay the remainder win by win or in one check at the end of our season.

All donations of $1,500 or more to the lacrosse teams fundraising efforts will automatically trigger your 11th Man Club Membership for 2013.
These donations are essential to our future success and will be used to make this year’s team even stronger.

WHAT BENEFITS DO I RECEIVE AS AN 11th MAN CLUB MEMBER?
Besides supporting the members of the 2013 Buckeye Lacrosse Family both on and off the field, your generous donation will afford Buckeye Lacrosse the opportunity to continue to operate in a first-class manner. Each member will receive a unique gift, an invitation to member only events and bi-weekly updates on the progress of the team from Coach Myers during the season.

GOLDEN STX CLUB
By making a one-time donation of $25 or more you will be recognized in a special club that is dedicated to beating the school up north. We will use these funds to make that a very special week for our men and to recognize one of the greatest rivalries in college athletics. On April, 14 2012 the Buckeyes defeated Michigan by a score of 12-9 in Ann Arbor. With your support the coaching staff was able to start a new tradition at the team banquet by presenting the men with a Golden Buckeye as seen below. Thank you for your support and help making this recognition possible for our team.

GO BUCKS! Beat Michigan
