## **Fifty Four Named To Volleyball Academic Honor Roll Three-Time PL Volleyball Scholar-Athlete Of The Year Karla Kucerkova Leads The List**

CENTER VALLEY, Pa. – American senior **Karla Kucerkova**, a three-time PL Volleyball Scholar-Athlete of the Year, posted a perfect 4.00 grade-point average (GPA) during the fall term, as did Bucknell junior **Jessica Bissett**. The duo was among the 54 student-athletes named to the 2003 Patriot League Volleyball Academic Honor Roll, announced today by **Carolyn Schlie Femovich**, Patriot League Executive Director.

To be eligible, a student-athlete must earn a 3.20 grade-point average in the fall semester and be awarded a varsity letter in one of the seven League-sponsored fall championship sports.

A total of 540 student-athletes were named to the League's Fall Academic Honor Roll, including 23 with 4.00 GPAs. The Fall Academic Honor Roll includes the sports of men's and women's cross country, field hockey, football, men's and women's soccer and volleyball.

Bucknell led the way with 117 candidates on the League's Fall Academic Honor Roll. On the Volleyball Academic Honor Roll, the Bison earned top honors with 12 selections, followed closely by American and Holy Cross with nine recipients each.

The Patriot League, an NCAA Division I athletics conference founded on the principle of admitting athletes who are academically representative of their class, is in its second decade of academic and athletic excellence. Participation in intercollegiate athletics at Patriot League institutions is viewed as an important component of the undergraduate experience. A successful Division I-AA football conference since 1986 and an all-sport conference since 1990, membership includes American, Army, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh and Navy, while seven additional institutions hold associate membership. Patriot League member institutions are among the oldest and most prestigious in the nation, graduating alumni who are well prepared for life with the ability to make meaningful contributions to their community and society in general. In the most recent NCAA Graduation Rate Report of student-athletes, the Patriot League ranked FIRST among NCAA Division I conferences.
