Patriot League Announces Men's Track and Field Academic Honor Roll

One hundred and thirty-four student-athletes named to Academic Honor Roll.

Center Valley, Pa. – One hundred and thirty-four student-athletes were named to the 2008 Patriot League Men's Track and Field Academic Honor Roll, announced Executive Director Carolyn Schlie Femovich Wednesday. Army's Michael Simmons and Navy's Gavin MacGarva both achieved GPAs of 4.0 or better for the spring semester.

Army's Kevin Kumlien was named to the Academic Honor Roll as well, following up his designation as the 2008 Patriot League Men's Outdoor Track and Field Scholar-Athlete of the Year. Kumlien is a rising senior management major who recorded a 3.85 spring grade-point average.

To be eligible for the Academic Honor Roll, a student-athlete must earn a 3.20 grade-point average in the spring semester and be awarded a varsity letter in one of the Patriot League's 16 winter or spring championship sports. The criteria for awarding varsity letters are different at each institution.

"Today's Scholar-Athletes, Tomorrow's Leaders" – The Patriot League continually demonstrates that student-athletes can excel at both academics and athletics without sacrificing its high standards. The Patriot League's athletic success is achieved while its member institutions remain committed to its founding principle of admitting and graduating student-athletes that are academically representative of their class. Participation in athletics at Patriot League institutions is viewed as an important component of a well-rounded education.
