PATRIOT LEAGUE EXECUTIVE DIRECTOR

CAROLYN SCHLIE FEMOVICH

Appointed the fourth Executive Director of the Patriot League in July 1999, Carolyn Schlie Femovich's selection by the Patriot League Council of Presidents continued its adherence to equity and innovation in its approach to intercollegiate athletics.

One of two women to hold the top post of a combined men and women's conference at the NCAA Division I level, Femovich brought with her 17 years of experience in NCAA Division I athletics.

During her first year as Executive Director of the Patriot League, membership was enhanced with the announcement that American University would become a full League member in the fall of 2001, and that Georgetown University would join the Patriot League in football beginning with the 2001 season.

Femovich focused her energies on setting a strategic direction for the future of the Patriot League during the 2001-02 academic year. In recent years, primary efforts have aimed at increasing League visibility and competitiveness, as well as the quality of services to the membership.

Femovich recently finished a four-year term as the Patriot League's representative on the NCAA Management Council and is currently serving as chair of the NCAA Championship and Competition Cabinet and NCAA Women's Basketball Issues Committee. She was also the chairperson of the prestigious Collegiate Women's Sports Awards Program and continues to serve on the Board.

Prior to her appointment as Executive Director, Femovich served in a leadership role in the administration of a highly-successful Ivy League athletic program at the University of Pennsylvania.

During her tenure as Senior Associate Athletics Director (1986-99) and Associate Athletics Director (1982-85), her responsibilities included administration of intercollegiate sports and recreation programs, strategic planning and facilities development, human resource management and event planning.

In her first position at Penn, Femovich oversaw 15 intercollegiate programs, coaching staffs and athletics facilities. She also served as Penn's Interim Director of Athletics in 1985. Femovich represented the University in a variety of external capacities with the Ivy League and NCAA, and on a number of sports committees and boards.

Femovich's career in intercollegiate athletics began in 1974 at Indiana University as a graduate teaching assistant. In 1975, she moved to Gettysburg College as head coach of the women's basketball and tennis programs as well as assistant professor of health and physical education and the Coordinator of Women's Athletics.

Included in the impressive list of regional and national committees Femovich has served on are the NCAA Division I Women's Basketball Committee, the NCAA Basketball Marketing Sub-Committee and the NCAA Division I Business/Finance Cabinet and the NCAA Division I Women's Basketball Committee.

She played a primary role in bringing the 2000 NCAA Women's Basketball Final Four to Philadelphia and is a member of the executive board of the Philadelphia Sports Congress. She also held the office of President of the Eastern College Athletic Conference (ECAC) in 1996, which now includes more than 300 member institutions.

A graduate of Valparaiso University, Femovich received a masters of science degree from Indiana University. She and her husband, Robert, reside in Hellertown, Pa.

PATRIOT LEAGUE ACADEMIC AND ATHLETIC SUCCESSES

In its second decade of combining academic and athletic excellence, the Patriot League sponsors championships in 23 men and women's sports. Initially started as an NCAA Division I-AA football conference in 1986, the Patriot League became an all-sport conference in 1990 and includes American, Army, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh and Navy as full members, and Fordham and Georgetown as associate members. These institutions are among the oldest and most prestigious in the nation and their alumni have, and continue to play leadership roles in shaping our country.

Since 1998, the Patriot League has ranked first each year among all Division I conferences awarding athletic aid in the NCAA Graduation Rate Report. In addition, the Patriot League finished first in the new NCAA Academic Progress Report (APR) among all Division I conferences awarding athletic aid (combining with all eight of its full-time member institutions for an average of 984 out of 1,000). The APR is used to measure academic eligibility, retention and graduation of student-athletes.

Patriot League student-athletes and teams continue to enjoy success at the national level, with opening round victories coming in several NCAA Championships, including consecutive wins in men's basketball, a final four appearance in men's lacrosse and a sixth-place finish at the NCAA Cross Country Championship.

The Patriot League's mission is simple, to provide successful competitive athletic experiences while maintaining high academic standards, and to prepare its student-athletes to be leaders in society.

Head-to-head competition the higher seed will go to the team that has won the most League contests played against the other team involved in the tie.

A comparison of records will be made between the tied institutions starting at the highest possible seed and continuing through the lowest seed, if necessary.

Record versus out-of-League common opponents.

Goal differential between tied teams (the goal differential can be no greater than eight).

Goal differential of total League competition (goal differential can be no greater than eight in any one contest).

Coin flip.

In the case of multiple ties (more than two teams tied for the same spot), the following process will be used: Note: The entire process for multiple-team ties must be completed. The Patriot League does not revert back to the two-way tie formula once the multiple-team tie has been resolved.

Records between the tied teams will be evaluated to determine if one team won more contests against the other tied institutions.

A comparison of records will be conducted for each team starting with the highest seed not involved in the tie and continuing through the lowest seed, if necessary.

Record versus out-of-League common opponents.

Goal differential between tied teams (the goal differential can be no greater than eight).

Goal differential of total League competition (goal differential can be no greater than eight in any one contest).

Coin flip (two teams) or draw (multiple teams).

THREE-PEAT

Navy won the Patriot League Championship title for the third straight year, defeating archrival Army for the second year in a row for the crown. The Mids have captured the Patriot League Championship each of the three years they have sponsored lacrosse in the Patriot League.

FIRST TIMERS

For the first time in Patriot League history Colgate tied for first place in the Patriot League standings at the end of the regular season. The Raiders tied with the Mids at 5-1.

Colgate was only the second team to defeat Navy in Patriot League competition, since the Mids joined in 2004. The other team was Bucknell, who handed Navy a loss in 2005.

ALL-AMERICANS

Eight Patriot Leaguers were named All-American after the 2006 campaign, including five from Navy, two from Army and one from Colgate.

Navy's Jon Birsner and Billy Looney took home second-team status, while teammate Matt Russell was named to the third-team.

Earning honorable mention were Army's Matt Luyster and John Walker, Colgate's Colin Hulme and Navy's Jordan DiNola and Steve Looney.

A DIFFERENT KIND OF ALL-AMERICAN

Lehigh's Tom Weiss also earned All-American status, but for his achievements in the classroom. Weiss was named a United States Intercollegiate Lacrosse Association (USILA) Scholar All-American.

FINISHING STRONG

Both Army's John Walker and Navy's Jon Birsner ended their careers ranked in the top-10 in multiple categories in the Patriot League record book.

Walker ended his career at West Point ranked third in points (209), fourth in goals (125) and seventh in assists (84).

All-time in Patriot League history, Birsner ranks ninth in points (154) and fifth in assists (105).

MLL DRAFT

Three Patriot League student-athletes were drafted by Major League Lacrosse (MLL) in 2006.

Bucknell's Michael Abou Jaoude was drafted by the San Francisco Dragons in the fourth round.

Both of Navy's student-athletes who were drafted were taken in the fifth round - Jon Birsner (New Jersey Pride) and Matt Russell (Baltimore Bayhawks).

TAKING DOWN THE BIG GUY

On March 14 Bucknell defeated top-ranked Maryland, 7-6, in double overtime.
