## **Patriot League Announces Men's Soccer Academic Honor Roll**

*Army's Daniel Newell named Scholar-Athlete of the Year and headlines 76 student-athletes named to the Academic Honor Roll.*

**Center Valley, Pa.** – Army's Daniel Newell was named the 2007 Patriot League Men's Soccer Scholar-Athlete of the Year and is one of 76 student-athletes named to this year's Patriot League Academic Honor Roll, announced Executive Director Carolyn Schlie Femovich Thursday. Seven student-athletes achieved at least a 4.00 GPA for the fall academic term, including American's Chris Liebner, Army's Andrew Kydes, Bucknell's Sean King and Jason Soto, Lafayette's Mark Reichenbach and Navy's Evan Barnes and Chris Schneider.

Newell, an Engineering Management major with a 3.77 cumulative grade-point average, was a member of the 2006 National Soccer Coaches Association of America East Region All-Academic Team, and was also named to the 2007 *ESPN The Magazine/CoSIDA Academic All-District I First-Team*. The senior from Scottsdale, Ariz. is also an *ESPN The Magazine/CoSIDA Academic All-American*. Newell has also been appointed Deputy Brigade Commander during his time at the U.S. Military Academy, which serves as the second-highest cadet rank in the Brigade Chain of Command at West Point.

Newell is a three-time Second-Team All-Patriot League selection, and was also named the Co-Rookie of the Year following the 2004 season. The defenseman played and started in all 17 games this past season, and scored one goal. He was also the leader of an Army defense that held the opposition to a 0.96 goals against average this season including six shutouts.

To be eligible for the Academic Honor Roll, a student-athlete must earn a 3.20 grade-point average in the fall semester and be awarded a varsity letter in one of the Patriot League's seven fall championship sports.

*"Today's Scholar-Athletes, Tomorrow's Leaders" – The Patriot League continually demonstrates that student-athletes can excel at both academics and athletics without sacrificing its high standards. The Patriot League's athletic success is achieved while its member institutions remain committed to its founding principle of admitting and graduating student-athletes that are academically representative of their class. Participation in athletics at Patriot League institutions is viewed as an important component of a well-rounded education.*
