Premium Seating: Information on Premium Seating is listed below.

The Panther Club & Panthers Ticket Office is operating on the understanding:

1. Season ticket holders can request seats in any location that their rank qualifies them for and should indicate preferences on the ticket request application. For example, someone with enough points (i.e., high enough rank) to sit in Category 1A General Seating Sections can request seats in any of the other categories.
2. The quantity of seats allocated to each donor is determined by annual giving level.
3. Seats in each category are assigned starting in the front to the middle of each section first. Once all sections in that category are assigned in that manner, then the seats in that category are assigned from the middle to the top of each section.
