FAQs

Is the Pitt Giving website secure?

Yes. The Pitt Giving site uses data protection software, securing your payment and personal data submitted over the internet.

Why is the ID number listed not the same as my Panther Club ID?

The ID number listed when entering payment amount is tracking the number of transactions through the Pitt Giving website. You will not be asked for your Panther Club ID, nor will it appear anywhere during this process.

How will I know if my online gift has been correctly submitted?

After submitting payment, a confirmation email will be sent to the email address you provided.

How will I know if my online gift has been received?

You will receive a gift receipt from the University in the mail approximately one week after the donation is made.

What happens if my gift does not get allocated to Athletics during submission?

This is an easy fix. Please review the receipt you receive from the University, as it will say that your gift was allocated to Athletics and the Panther Club Athletic Scholarship Fund. If for some reason an error occurred, please contact our offices at 412-648-8889 or email us at PantherClub@athletics.pitt.edu and we will gladly modify the allocation.
