

PARKING WITH THE PANTHERS

2008 PITT FOOTBALL

PARKING

All parking will be assigned first by your annual giving level to the Panther Club Athletic Scholarship Fund and second by your Panther Club priority point total (rank). Please also keep in mind these details:

- Your annual donation must satisfy the per-pass donation required for each lot.
- Contributions made for donor-based seats count toward any contributions for parking. For example, if you gave \$50 per seat for two seats in a Panther Red section, that \$100 gift would qualify you for a lot requiring a \$100 contribution per pass.
- We anticipate that parking attendants will direct patrons to specific spaces upon entrance into all priority parking lots.
- Tailgates involving an open flame are not permitted in the Blue 10 or Red 5 Garages.

Note: All parking assignments and upgrades are made based on Panther Club annual giving levels as of June 30, 2008 and point totals (ranks) as of March 15, 2008.

GROUP PARKING

Each customer interested in parking within a group must notify us in writing. Please note your request on your application or your online application. You can also send an e-mail to (PantherClub@athletics.pitt.edu), fax (412-648-8236), or mail (University of Pittsburgh, Department of Athletics, Football Parking, P.O.
