

Providence vs. Sacred Heart
November 20, 2008

Marshon Brooks #2

Your on fire Man, have you cooled off yet?

“No, not yet. Not yet. I think I’m going to run it through the season. Stay alive through the season, through the end of the season. I took a lot shots, I couldn’t miss. I mean my first, I shot I missed but it felt good. I just kept shooting and my teammates kept behind me when I was hitting. I played well, I had a good game.”

Is this the best game of the season so far?

“We definitely played the best offensively but we got out-rebounded by Sacred Heart. Coach wasn’t too happy about that, that makes him mad. We are in the Big East and they just out rebounded us, we didn’t feel too good about that. Other than we played pretty well. ”
