

FAQ for TEAM CAMP COACHES

Q. I already mailed in registration cards. Can I add a player to the roster?

A. Yes, players may be added to your roster after a team has reserved a spot at camp. Please send in the registration card with the team name listed next to the camper's name along with the camper's payment. Each team may register no more than two additional players on registration day in order to be sure that the dorm situation is adequate.

Q. Do I have to pay in full when I submit my application?

A. While you are not required to pay in full with your application, the Phil Seymore Camp strongly encourages payment in full for team campers. This will help to simplify the registration process. In order to reserve a spot in camp, each player must submit a \$100 deposit. Remaining balances must be paid via cash or bank check on registration day. Personal checks will be accepted up until two weeks prior to camp start date. Camp is paid on a per player basis – there is no general team fee.

Q. Where do the coaches stay?

A. Female coaches will be housed in the dorms with their teams. Male coaches will be housed in a separate dorm.

Q. Do coaches have to pay anything? What about meals?

A. Coaches attend camp at no cost with a registered team. Meals will be provided for coaches in the dining halls, all you can eat. Teams will be responsible for providing their own dinner on Friday evening. There will be pizza available for purchase in the dorms. There will also be socializing opportunities for coaches.

Q. Can an additional coach or parent actually attend camp with a team?

A. Additional adult coaches/parents may attend, however we ask for a \$75 stipend to assist in covering the meal and housing costs.

Q. Can anyone be a “coach” for the week?

A. Coaches must be adults (21 years or older). You are responsible for knowing your state regulations as to who is allowed to work with your team during the summer months. Coaches must also be cleared through a mandatory background check.

Q. Can a coach bring his/her own children to camp?

A. While children are welcome to observe games during the day, we are not allowing for children to stay at camp permanently (in the dorms) or eat in the dining halls. This decision was made due to both liability and space constraints. Thank you for understanding.

Q. What are the responsibilities of a team coach?

A. Coaches are an essential ingredient for the success of our camp. You will be responsible for attending all camp sessions (unless specifically designated by camp director). Coaches will be expected to behave in accordance to camp rules and help to ensure that his/her team does the same. Coaches will coach/make substitutions for games as well as be involved with instructional stations.

Q. What does the schedule for team camp look like?

A. Each team will play a minimum of 5 games. There will also be advanced instructional sessions, special situation mini-games, guest speakers, team-building activities as well as various contests.

Q. Are JV or AAU teams allowed to attend camp?

A. Yes! We'll do our best to match teams of equal ability whenever possible.

Q. What if my team doesn't have 7 players?

A. Call us. We may be able to assign you a "free agent" player to boost your roster numbers. We also may be able to combine two teams to create one. We'll do our best to make it work for your players who do want to attend.

Q. Will there be a camp store during team camp?

A. Yes. Water, sports drinks, snacks and Friar gear will be available for purchase. Pizza will be available for purchase each night in the dorms.
