

# PROVIDENCE COLLEGE SOFTBALL

Construction for our new field is well underway! We've watched as the old Glay Soccer Field has transformed into what will be the premier softball facility in the Northeast. The hybrid turf playing surface is coupled with some amazing features including:

- State-of-the-art Synthetic Playing Surface & Hilltopper Clay Mound
- Seating for 307 people with large standing areas
- Bathroom in each dugout
- Musco Lighting
- Storage Facility for Team & Player Equipment
- Portable Backstop for Batting Practice
- Game Info & Player Development Software
- 3 Turf Batting Cages & 2 Bullpens featuring Hilltopper Clay
- Heated Dugout & Pressbox
