

REQUEST TO UPDATE CONTACT INFORMATION

NITTANY LION CLUB/PENN STATE ATHLETICS/PENN STATE TICKET OFFICE

Thank you for making the effort to keep your records updated! We strive to always provide you with timely and helpful information regarding your NLC membership and Penn State Athletics news of note. Up to date contact information is critical to achieving that goal.

This request will apply **ONLY** to Penn State Athletics and its related departments. We recommend that you also may wish to contact the Penn State Alumni Association at 1-800-548-5466 so that you can be kept informed with other news related to the University or your college.

As we communicate more through electronic means, we would like to suggest that providing a preferred email address will allow you to be added to our e-newsletters, receive up-to-date notices, and allow you to access your private account information using your internet connection. Access to your account, on-line, gives the added benefits of reviewing NLC Priority Points, viewing invoices, and you can even purchase tickets to athletic events.
