

Please join me for an afternoon that is sure to be both fun and rewarding as we seek to raise much-needed funds for a wonderful cause. I am looking forward to the **11th Annual Coquese's Drive for the Centre County Women's Resource Center** golf tournament on **Friday, July 20** at the **Penn State Blue Course**. With your help, we have raised over \$201,000 in the previous 10 events for the Centre County Women's Resource Center. We hope that this year's tournament will bring additional awareness to the outstanding services this organization provides to Centre County. This is a cause very near and dear to my heart because of what the CCWRC does for women and families in need. With recent budget cuts, it is now more important that our community step up and give the CCWRC our support.

I hope to see you there!
