This Weekend

The Penn State men's and women's swimming and diving teams get back into the pool for competition for the first time in 2008 as they split up to head to a pair of meets. The diving teams are in action first as they will compete in the Georgia Diving Invitational in Athens, Ga. on both Thursday and Friday, January 3-4, which will be the springboard portions of the meet. The swimming teams left for Florida on Wednesday, January 2 for their annual winter training trip. While on this trip, they will compete against Florida Gulf Coast and Indian River Community College in a tri-meet on Sunday, January 6. It will be a tri-meet for the women while the men will compete against Indian River CC, a junior college power in swimming, only. FGCU has only a women's team.

Looking Ahead

The swimming and diving teams will reunite back in the Keystone State in two weekends when they travel to Pittsburgh for a multi-team meet. The women will compete against Pit, Maryland and Villanova in a quad meet while the men will face those same three teams as well as Missouri. The meet will be a two-day meet on Friday and Saturday, January 18-19 in Pittsburgh, Pa.

Records Fall at Princeton

In their last meet of 2007, the swimming teams saw some records fall in addition several more NCAA standards met. **Kaitlin O'Brien** broke her own school record and set a new Big Ten record in the 400 IM with a time of 4:08.40 in the finals, although she finished second. **Pat Schirk** broke his own school record in the 200 back with a time of 1:41.57, which was just .31 of a second off the Big Ten record.

NCAA Times Keep Piling Up for the Women

Already possessing 25 NCAA 'B' cuts and an 'A' cut prior to swimming at the Princeton Invitational, the women's team piled up even more NCAA cuts at last month's championship-format meet. The women put up seven new 'A' cuts, 13 new 'B' cuts, and also lowered 13 previous 'B' cuts. For the year, the Nittany Lion women now have seven 'A' times, 32 'B' times, and two NCAA Zone qualifying scores on the diving springboards. Leading the way for the women is **Kelly Nelson**, who has 'B' times in six different individual events and has also swam on four different relay teams that have 'B' times as well, for a total of 10 'B' cuts. **Michelle Myers** owns five 'B' times, two in individual and three in relays, as well as an 'A' time, while **Kaitlin O'Brien**

has three 'A' cuts and one 'B' cut.

Women Put up Six 'B' Times in First Meet of the Season

In easily topping West Virginia by a score of 227-73 in their first meet of the season, the women's swimming team put up an amazing six NCAA 'B' provisional qualifying times. While it is not uncommon to come in just below the 'B' cut in some early-season swims, a few times posted were actually closer to the 'A' automatic qualifying times than the 'B' cut. Leading the way for Penn State were **Caitlin Meehan** and **Kaitlin O'Brien**, who each made 'B' cuts in the 200 breaststroke, and **Kailey Morris**, who was just 1.75 seconds off of an 'A' cut in the 200 butterfly. Also making 'B' cuts were Meehan in the 100 breast and **Karie Haglund** in the 200 fly. The 400 medley relay team of **Michelle Myers**, **Caitlin Meehan**, **Kelly Nelson** and **Molly Crispell** came in .53 of a second under the 'B' time.

Divers Put up NCAA Zone Qualifying Scores

Equally as impressive as the six NCAA 'B' times put up by the swimmers were the two NCAA Zone A qualifying scores put up by two divers on the women's diving team. Penn State's two veteran divers, **Kim Peifer** and **Courtney Adlam**, put up NCAA Zone qualifying scores, Peifer on the one-meter springboard and Adlam on the three-meter. Then, in the tri-meet hosted by the Penn State men on November 9-10, **Josh Bonner** posted the first men's qualifying score of the year as she came in well over the minimum on the three-meter board.

Men Get Early Start on NCAA Times as Well

Although not as large in volume as the NCAA cuts so far this year for the women, the men's team is well ahead of their quantity of NCAA cuts from last year as this point. has swam to three NCAA 'B' cuts in their first three meets of the year. Last year, the men only had two 'B' cuts entering the Big Ten Championships. This year, helped on by four new 'B' cuts, the first 'A' time of the year, and the lowered of three previous 'B' cuts, the men's team owns seven NCAA 'B' cuts, one 'A' cut, and one NCAA Zone qualifying score on the diving boards. **Pat Schirk** leads the way with an "A cut in the 200 back as well as three other 'B' cuts.

Meehan Dominating Breaststroke This Year

Junior **Caitlin Meehan** has the breaststroke events her own personal ones this year. On the season, she has finished first in three out of four 100 breast events swam in and has taken first in three out of four events in the 200 breast as well. Even more remarkable, in 12 combined swims so far this year in both the 100 and 200 breast, she has swam at least an NCAA 'B' qualifying time in every swim, including one

'A' swim in the 100 breast.

O'Brien Same in 400 IM

Kaitlin O'Brien usually only swims in the 400 IM in championship-format events. She has only swam the event three times so far this year but her dominance in staggering. In three total swims in the 400 IM this year, O'Brien has broke a McCoy Natatorium record, broke her own school record twice, and broken a Big Ten record while easily swimming NCAA 'A' times in all three swims.

Schirk Dominating Backstroke as Well

Junior **Pat Schirk** has also had a similar dominance in both the 100 and 200 backstroke so far this year as well. Schirk has finished first in all four of his swims so far this year in each of the two backstroke events. He also has an NCAA 'A' cut to his credit in the 200 back and has swam at least a 'B' cut in three of his four 200 back swims.

Lions Sweep Big Ten Weekly Award Following Opening Meet

Following their dominating performance in the season-opening dual meet vs. West Virginia, two swimmers were honored by the Big Ten as the conference's swimmers of the week. **Caitlin Meehan**, who won both breaststroke events in NCAA 'B' times and was on the first place 400 medley relay team, was named the women's swimmers of the week while **Pat Schirk**, who won both backstroke events and was also on a winning 400 medley relay team, won it on the men's side.

Hoosierland Open Invitational (11-16/17/18-07)

No team scores

Bloomington, Ind. - Both the men's and women's swimming teams competed at the three-day, championship-format Hoosierland Open Invitational. The divers did not compete at this meet. No team scores were kept, but both the men's and women's teams had several individuals that swam very well.

Several swimmers on both the men's and women's teams swam in events that they normally do not swim in as the coaching staff took advantage of the non-scoring aspect of the meet to experiment and test the versatility of several team members. At the same time, some swimmers also did not swim in their strongest events.

Despite several swimmers not swimming in their normal events, the women's team swam to eight new NCAA 'B' provisional qualifying times while the men posted one new 'B' cut as **David Kraft** swam a 'B' time in finishing third in the 1650 freestyle. The meet was the first meet of the year for the Nittany Lions in which the 1650 free as well as the 800 freestyle relay were contested.

Of particular note was the performance of the men's relay teams. The 200 free, 800 free, 200 medley and 400 medley relay teams all finished in second place while the 400 free relay team won.

The women had five finishers in the top 16 in the 500 free, led by **Kaitlin O'Brien**, who swam an NCAA 'B' time to finish fifth.

Kelly Nelson did excellent in the IMs as she won the 400 IM finished second in the 200 IM.

Tim Williams won the 200 butterfly and finished fourth in the 100 fly.

Caitlin Meehan won the 200 breaststroke, also finishing first in the prelims, while also placing third in the 100 breast. The women took four of the top eight spots in the 200 breast with O'Brien and **Abby Hoisington** finishing third and fourth and **Clare Clemens** placing eighth.

The men had the third, fourth and fifth place finishers in 1650 free as **Dito Calderon** and **Chris Sullivan** were fourth and fifth behind Kraft.

The sprint freestylers on the men's side also turned in good performances as the Nittany Lions had six of the top 16 finishers in the 100 free, led by **Basil Kaaki** in fourth place.

Princeton "Big Al" Invitational (11-30/12-1/12-2-07)

Men - 1st of 8; Women - 1st of 9

Princeton, N.J. - Both the men's and women's swimming and diving teams dominated the three-day Princeton Invitational as both won by large margins in the final meet of the 2007 for the Nittany Lions.

The men's team compiled 1039 total points and topped second place Princeton by 377.5 points. The women scored a total of 990 points and finished 421 points in front of the Princeton, which also finished in second on the women's side. The men won two-thirds of the event contested at the meet, taking first place in 14 of 21 events while the women had first place finishers in nine out of 21 events.

Both teams also racked up several new NCAA cuts during the duration of the meet. For the meet, the women swam to seven new NCAA 'A' cuts, 13 new NCAA 'B' cuts and also lowered 13 previous 'B' cuts. The men put up four new 'B' times, one new 'A' time and lowered two previous 'B' cuts.

The highlight of the meet came from **Kaitlin O'Brien**, who broke her own school record in the 400 IM by finishing first in the morning prelims before breaking that again as well as breaking the Big Ten record in the evening finals, yet finished second in the 400 IM finals. O'Brien also swam 'A' times in both the 200 IM and 200 breaststroke at the meet, giving her a team-high three 'A' cuts on the year.

In the 100 breast, **Caitlin Meehan** and **Abby Hoisington** finished 1-2 in the event, both swimming NCAA 'A' times in the process. Just after Meehan and Hoisington put up their times, **Michelle Myers** earned her first career NCAA 'A' cut by finishing second in the 100 backstroke, guaranteeing her of her first NCAA appearance after just narrowly missing out last year. Finishing just behind her was **Kaitlyn Ferguson** who missed an 'A' cut by just .31 of a second, putting her in excellent position to make her first career NCAA appearance as well.

The women took places 1-2-3 in the 200 fly with **Kelly Nelson**, **Karie Haglund** and **Alex Young** finishing in that order.

Pat Schirk broke his own school record in winning the 200 back, logging the first NCAA 'A' time of the year for the men's team. He also won the 100 back and is a perfect 8-for-8 in first place finishes in backstroke events this year.

David Kraft lowered his previous NCAA 'B' cut in winning the 1650 free. Tim Williams swam his first 'B' cut of the year in winning the 200 fly.

As they have done in each of the first three meets of the year, the men's team did extremely well in the sprint events. They took six of the top eight spots in the 100 free, led by first place **Sean Swanepoel**.
