Skills

- Stunts
 - Coed
 - Purdue Up (shown in fight song if can't do lib)
 - All returners (male & female) must show a lib or stretch (hands lib/stretch, toss, full-up, or rewind) with a dismount of their choice (pop down, cradle, full/double down, twist down to hips)
 - All first year females must also show a lib or stretch
 - All first year males can show an extension (hands extension, toss) instead of a lib if they don't have any previous cheer experience.
 - All stunts at tryouts will be performed on a mat with a spotter.
 - All-Girl
 - Full-Up stunt (shown in fight song)
 - Twist Up Stunts
 - Full up immediate (lib, stretch), One and quarter up, One and half up, Full arounds, etc.
 - Flipping Stunts
 - Returners will be expected to show a flipping stunt
 - Incoming freshmen will learn flipping stunts at clinics and tryouts
 - Will not be required but those who can show one will be to their advantage
 - Double Downs
 - Stretch or arabesque
 - We are looking for girls who can perform more than one stunting position. The more versatile you are as a stunter, the better.
- Tumbling (females)
 - Standing tumbling: standing back tuck, cartwheel tuck, toe touch back tuck, standing back handspring tuck
 - Series tumbling: roundoff tuck, round off handspring tuck
 - All tumbling will be done on a non-spring floor mat and without spotters.
 - All skills listed above are the MINIMUM skill requirements that could be asked at tryouts. If you can layout/full it's highly recommended to end all of your tumbling with a layout/full if you have one.
- Tumbling (males)
 - It is HIGHLY encouraged for males to show a standing back tuck, even if it's with a spot.
 - All males with series tumbling will have an opportunity to show a corner pass on a non-spring floor mat.
- Jumps
 - Double or triple toe touch
 - Connecting with the tuck at the end would be to your benefit.
- Fight song

- All will learn the motions to “Hail Purdue.” Performances of the fight song, which includes a standing tuck, will be with poms.
- Cadence
 - A cadence will be taught to all potential first year members at tryouts. This is to see how quickly potential first year members learn and listen.
