

PURDUE FOOTBALL PARKING INFORMATION

John Purdue Club Membership Level and Parking Lot Eligibility

All parking will be based on membership level and priority points within that level. Members may purchase one parking permit per every four tickets purchased. Lot assignments will be based on the information located under "Parking Pass Allocation Guidelines."

1-7 tickets = 1 parking pass
 8-11 tickets = 2 parking passes
 12-15 tickets = 3 parking passes
 16-19 tickets = 4 parking passes
 20-23 tickets = 5 parking passes
 24-27 tickets = 6 parking passes

Note the following:

Except for designated RV lots, there is no overnight parking in any of the lots. Lots D and T open at 8 a.m., and all other John Purdue Club Lots open at 7 a.m. NOTE: RV2 - parking will be available after sundown on Friday evenings before Saturday games. Lot opening times subject to change.

Vehicles must fit safely within a 10 foot by 21 foot parking space. Trailers are prohibited in all non RV lots.

RV permits will be honored in RV lots only, and these permits are valid for recreational vehicles that fit safely into a 30' x 40' parking space. RV trailers being towed must be parked in assigned lot and towing vehicle must park in a non RV lot.

Alcohol is not permitted in V Lot, which is on school grounds at the West Lafayette Jr./Sr. High School.

Outside vendors are not allowed into the lots to drop off and service tailgate parties.

As a reminder, Lot U will offer shuttle service for those who have mobility concerns. The Lot U shuttle will drop off and pick up at the northwest corner of the stadium. Lot U is highly recommended for those who are not in need of accessible parking, but would like assistance to the stadium.

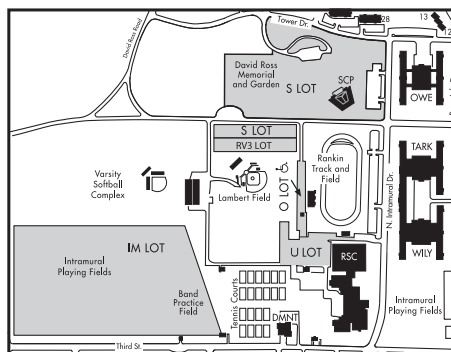

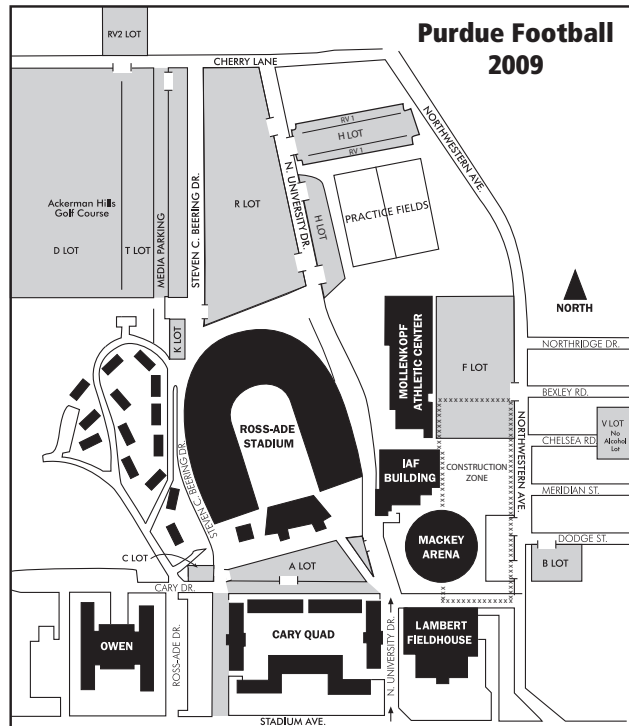

On the order form, please list your top three parking lot choices for your respective membership level. Depending upon demand, lot assignments may change from your previous year's assignment.

Accessible Parking for Patrons with Disabilities

H-Lot \$105

All John Purdue Club levels are eligible for H-Lot (HC accessible parking). Accessible parking will be allocated based on giving level and priority points. One pass limit per membership. To qualify, members must submit proof of state-issued HC permit or placard with their ticket application. HC permit or placard must be displayed in vehicle and owner of the permit present in the vehicle when entering the lot. H-Lot permit holders will be required to show photo identification on football game day demonstrating that the owner of the ADA placard and the H-Lot parking pass is present in the vehicle. If the owner of the ADA/H-Lot pass is not present while trying to access the lot, then access will be denied and the H-Lot parking pass can be revoked as the parking pass is non-transferable.

Capacity in the H-Lot is limited and overflow will be issued with an O-lot permit.

O-Lot: Free (Limit one free pass per JPC membership)

All John Purdue Club levels are eligible for O-Lot (HC accessible parking). To qualify, members must submit proof of state-issued HC permit or placard with their ticket application. HC permit or placard must be displayed in vehicle and owner of the permit present in the vehicle when entering the lot. Also, O-Lot is available on game day for \$10 while space is available.

Failure to submit proper documentation will prohibit the assignment to either HC accessible parking lot.
