Tax deductibility: Current federal tax code no longer allows a maximum 80-percent charitable deduction on gifts to an educational institution in which donors receive benefits. For gifts made on January 1, 2018 or later, Rice University will apply a fair-market value to each benefit listed on the updated chart. Rice Athletics expects these changes will allow for a larger percentage of charitable deductions on gifts to the Owl Club for most giving levels.

Making an Owl Club gift in FY18 (July 1, 2017-June 30, 2018) will activate your benefits for FY19 (July 1, 2018-June 30, 2019).

Lifetime "R" Association members as of Dec. 31, 2012.
