

Welcome to the 2008 University of Richmond Track and Field Camp!

On behalf of our staff, I want to thank you for choosing our University and Track & Field Camp. We are extremely excited about this year's edition and our outstanding staff. We will have some of the nation's top athletes and coaches serving as guest speakers and counselors. They bring a wealth of knowledge with them to ensure you gain invaluable knowledge and understanding of your events.

Remember our camp objective is to bring an educational setting to a fun filled week of track and field. Our clinics are designed to be informative, inspiring, and yet challenging. Our entire staff will focus on helping you become the best Track & Field Athlete you can be. Additionally you will be introduced to some of the nation's top college coaches and athletes giving you the advantage over your competition the next time out and getting you introduced to those coaches for recruiting purposes.

Our staff looks forward to serving you. Bring your questions and join us for an outstanding week of track & field, competition, challenges, learning, and fun!

Sincerely,

Steve Taylor
