Player Match Records

Player:

**Important Note* - Singles and Doubles Matches played as part of a dual match MUST NOT be entered in this section, but instead in the Team Records section. Matches played in Team Tournaments with a dual match format should also be entered in the Team Records Section.*

A few things to remember when entering results online:

- 1) Please look over results that were previously pending deletion or in dispute. Most have been corrected, so please be sure these are now okay.
- 2) Please enter scores reflecting the winning player or team - 6-1, 6-2 (not 1-6, 2-6).
- 3) Mark matches that were not played as either "Scheduled, But Not Played" (walkover, default, etc.) or as "Never Scheduled (Incomplete Lineup)" (if match didn't follow 6 Singles and 3 Doubles format). For a match to count towards ranking and NCAA consideration, a point(s) must have been played. A match counts if a player retired due to injury while the match was in progress.
- 4) There are two preferred ways to enter results when a match tie-breaker was played in place of a third set: 1-6, 6-2, (10-8), or 1-6, 6-2, 1-0 (10-8).
