The mission of the Bronco Bench Foundation is to support Student-Athlete scholarships at Santa Clara University. The Bronco Bench contributes over \$1.4 million each year to athletic scholarships. About half of these funds come from an endowment pool of approximately \$21 million with the remaining funds raised through alumni, family, friends, corporations, and special events like the Los Angeles President's Club Golf Tournament. For more information about the Bronco Bench Foundation and how you can get involved, please call Steve O'Brien at 408-554-7846.
