The Greater Bay Area Make-A-Wish Foundation® is a charitable non-profit organization whose purpose is to fulfill magical wishes for children with life-threatening illnesses. Proceeds from the Make-A-Wish fundraising efforts are used to fulfill children's dreams and create special memories for the entire family. Of each dollar raised, approximately 80% is spent on wish granting, 4% on administration, and 16% on fundraising costs. Once this form is processed, you will receive a confirmation of your pledge along with a copy of this form. In December, at the mid-point of the golf season, you will receive an update letter informing you where you stand based on the number of birdies to date for your pledged team. Once the season ends, you will receive an invoice with the total donation amount due. Acknowledgement letters for donations greater than \$250 will be sent to donors once the donation is returned with the invoice (no later than August 2009).
