Notes:

- During the evaluation day period (40 for Women, 50 for Men), staff members may not visit a prospect's educational institution on more than one day per week during this period.
- Any observation of practice or competition shall count as an evaluation (recruiting opportunity) for each member of the team.
- Any observation of practice or competition on the same day as a contact shall count as two recruiting opportunities.
- Evaluation activities other than observing practice or competition on the same day a contact occurs shall count as only a contact for that prospect and thus only one recruiting opportunity.
- Evaluations during the prospect's summer vacation do not count against the maximum recruiting opportunities.
- Institutions are allowed **five** recruiting opportunities, no more than **three** of which may be contacts.
