

SACRED HEART UNIVERSITY OFFICE OF ATHLETIC COMPLIANCE

Wednesday, September 07, 2005

Dear _____,

We are very pleased that you have chosen to make an official visit to our campus to evaluate our academic and athletics program. Because it is an official visit, we will pay for your expenses (housing, meals) during your time on our campus.

NCAA regulations require that we inform you in writing before your scheduled visit that you may make a maximum of five expense-paid visits to institutions that are in Division I or II. You cannot make more than one expense-paid visit to any one institution. (You can make as many visits as you wish; however, only one per institution and a total of five can be official, expense-paid visits). NCAA rules also require that you limit your visit to 48 hours from the time you arrive on campus and that entertainment can be provided only to you, your parents (or legal guardians), and your spouse.

NCAA regulations also require, before you are allowed to make an official visit, you present both your High School transcript (photocopy is okay) and evidence that you have taken the ACT or SAT entrance exam and have received a score. Please bring with you documentation from the testing agency containing your scores or a high school transcript containing your scores. We will not be allowed to follow through with an official visit without this information.

We hope that you will enjoy your visit to our campus.

Sincerely,

Kim Callicoatte
Assistant AD for Compliance
