## 2011 GAMECOCK FOOTBALL PARKING

Parking in the Armory, ETV, Fairgrounds, and Stadium lots will remain the same for the 2011 football season. However, some Stadium parking spaces may be relocated due to utility changes on the lot. Donors affected will be contacted individually. Parking prices in each of the previously mentioned lots will remain at the 2010 prices.

Changes will occur in the Farmers Market for the 2011 season. All existing structures on the property, with the exception of Shed 14, will be demolished before September. Reserved spaces will be renewed in the Youngblood Lot, Handicapped Lot, RV Lot, and Shed 14. Additional reserved parking may also be available in these lots.

General parking (non-reserved spaces) will be sold in Areas A, B, and C of the Farmers Market. Area A is located closest to Bluff Road; Area B is located in the middle and Area C is located in the back of the property. Pricing for all areas is as follows:
