TWO-TEAM TIE PROCEDURE

1. Regular season head-to-head results.
2. Each team's record versus the team occupying the highest position in the standings, continuing down through the standings until one team gains an advantage.

Note: When arriving at a pair of tied teams when comparing records, use each team's record against the tied teams as a group (prior to their own tie-breaking procedure) rather than the performance against the individual tied teams.

3. Each team's total Conference wins.
4. Team with more away games will be the higher seed
5. Each team's Overall 8-game goal differential (maximum of three goals per game).
6. Each team's Overall 8-game goal total (maximum of three goals per game).
7. Team with highest RPI
8. Coin Flip

MULTI-TEAM TIE PROCEDURE

If three teams are tied they are viewed as a "mini-conference" when comparing head-to-head results.

- A. The team or teams with the best combined record versus the other teams in the mini-conference gains the advantage. If all the teams in the mini-conference remain tied, proceed to B below. Note: when 1 team gains or loses an advantage in the mini conference, they are seeded accordingly, and the remaining "mini conference" teams revert to initial tie breaker procedure step 1 above (if 2 teams) or step A (if 3 or more teams remain tied), until all teams are seeded in the "mini conference". If three or more teams remain tied by their record in the "mini-conference", they would then form a new "mini-conference" and follow the procedure again starting at A.
- B. Each team's record versus the team occupying the highest position in the standings, continuing down through the standings until one or two team gains an advantage. If one team gains an advantage they will be the number 1 seed from this "mini conference.". The remaining teams revert to the beginning of the tie breaking procedures.
- C. Each team's total Conference wins.
- D. Team with more away wins will be the higher seed
- E. Each team's Overall 8-game goal differential (maximum of three goals per game).
- F. Each team's Overall 8-game goal total (maximum of three goals per game).
- G. Team with highest RPI
- H. Coin Flip

Note: If the ties cannot be broken, the Commissioner will conduct a coin flip.
