Dear Professor:

Due to my commitment to the Siena Women's Field Hockey program, I wanted to let you know, in advance, of potential schedule conflicts that may occur. Although the Northeast Conference works to schedule games that will have a minimum amount of interference with class time, complete avoidance of absences is not possible. Highlighted below are dates and times for both home and away competition that will conflict with attendance in your course. If the amount of absences is *not* acceptable, per your attendance policy, please inform me immediately so that I may consider enrolling in a different course or section (prior to the last day to add a course, September 13th).
