## ON-CAMPUS RECRUITING ACTIVITIES

### Publicity of a Prospect's Visit

A member institution shall not publicize (or arrange for publicity of) a prospect's visit to the institution's campus. Further, a prospect may not participate in team activities that would make the public or media aware of the prospect's visit to the institution (e.g., running out of the tunnel with team, celebratory walks to or around the stadium/arena, on field pre-game celebrations)

### Transportation Expenses

Transportation expenses for prospects and prospect's parents or legal guardians during an official visit may cover the following:

- Round-trip air transportation (for prospect only)
- Mileage rate if using automobile transportation
- Automobile transportation accompanied by institution's coach, or
- Ground transportation between the campus and any bus station, train station, or airport

### Student Host

The role of the host is to provide the prospect with an experience consistent with the student-athletes currently enrolled at Siena College. The head coach has discretion in tailoring specific, defined responsibilities of the host (e.g., schedule, class attendance, entertainment, dormitory housing, etc.) and should provide the host with recommendations/suggestions for entertainment activities extended to the prospect.

All student hosts must receive and sign off the "Student Host Record Form" (found in public folders) prior to the host assuming any hosting duties. The coach must review responsibilities and conduct expectations, and assure that the host and prospect understand the visit expectations. If there are multiple hosts during a prospect's visit, each host must sign separate host record forms.

### Recreational Activities

During an official or unofficial visit, a prospective student-athlete may participate in recreation activities in a facility that is not open to the general public (e.g., facility reserved for student-athletes to participate in voluntary activities), provided:

- 1.) Such activities are not organized or observed by members of the athletics department coaching staff (including strength and conditioning coaches) AND
- 2.) Are not designed to test the athletics abilities of the prospect

### Complimentary Admissions for Official Visits

Generally, a prospect on an official visit may receive 3 complimentary admissions. However, if a prospect is a member of a nontraditional family (e.g., divorce, separation), the institution may provide up to 2 additional complimentary admissions in order to accommodate the parents accompanying the prospect.
