Dear Professor:

Due to my commitment to the Siena Women's Tennis program, I wanted to let you know, in advance, of potential schedule conflicts that may occur. Although the Metro Atlantic Athletic Conference works to schedule games that will have a minimum amount of interference with class time, complete avoidance of absences is not possible. Highlighted below are dates and times for both home and away competition that will conflict with attendance in your course. If the amount of absences is *not* acceptable, per your attendance policy, please inform me immediately so that I may consider enrolling in a different course or section (prior to the last day to add a course, January 24th).

She will be in touch with you throughout the semester, inquiring about my progress in your class. She is also available as a resource to proctor any missed exams/quizzes on your behalf. Further, I can assure you, that with the resources I am encouraged to take advantage of, I will not at any point in the semester sacrifice my education for athletics.
