### Siena College Athletics Communications Policies

Siena College's general policy addressing relations with the mass media (newspapers, magazines, television, radio) is one in which personnel deal openly, honestly, quickly and accurately with media personnel to provide the media with all information about the College. The Athletic Department adheres to a strong policy that protects the individual's rights of privacy.

All press releases from the Siena College Department of Athletics are issued from the Office of Athletics Communications which sends the release to appropriate media. All requests for interviews should be directed through the Office of Athletics Communications with at least 24 hours' notice. Interviews will be scheduled at a mutual time for both the student-athlete or coach and the media member. All classes and team responsibilities will take precedent over interviews. It is the policy of the Office of Athletics Communications to issue credentials to members of the media for men's and women's basketball games. The men's basketball team room is open to the media once the head coach has concluded his press conference. The Department of Athletics and the Office of Athletic Communications reserve the right to close the team room at any time. The Office of Athletic Communications reserves the right to revoke credentials for home events at any time. Student athletes will not be expected to grant interviews on the day of a game, until the contest is completed, barring any special circumstances.

For soccer, lacrosse, and field hockey there is a designated area for team post-game tailgating located at the South End of the Siena Turf Field complex. For baseball, the designated area is behind the visiting team dugout (3<sup>rd</sup> Base Dugout).

Tables and garbage cans will be provided at all post-game tailgate locations upon request. Power is available but access must be requested through the Facility Manager by emailing [pbianchi@siena.edu](mailto:pbianchi@siena.edu).
